- (c) any business which supplies goods created from naturally occurring materials harvested in Antigua and Barbuda.

3. Application of charge and administration of Act

(1) There is established the Antigua Barbuda Revenue Recovery Charge which shall, subject to section 11—

- (a) apply to all goods imported into Antigua and Barbuda; and
- (b) apply to all goods produced in Antigua and Barbuda.

(2) The Comptroller is responsible for the general administration of this Act.

(3) The Comptroller may delegate in writing a duty, power, or function conferred on him under this Act other than the power of delegation.

(4) A delegation by the Comptroller does not prevent the exercise of that power, duty, or function by the Comptroller himself.

(5) The Comptroller may, at any time, revoke in writing a delegation under this section.

4. Rate

The charge shall apply at the rate of 10% on all goods imported into or produced in Antigua and Barbuda.

5. Imported goods

The charge shall be assessed on imported goods on the CIF value at the point of import and paid by an importer, together with import duties, to the Comptroller.

6. Domestic goods

(1) A producer shall apply the charge to the value of his sales prior to the application of ABST and offset the amount of the charge incurred in that month and remit the balance to the Comptroller on a monthly basis.

(2) The Minister may, by Order published in the Gazette, establish the threshold for the volume of annual sales for which a producer is required to apply the charge.

7. False information

A person who provides false information to the Comptroller or an officer and that information is relied upon for the assessment of the charge on goods, commits an offence and is liable on summary conviction to a fine of ten thousand dollars and to imprisonment for a term of one year or to both.

8. Offences

(1) A person who contravenes a provision of this Act commits an offence and is liable—

- (a) on summary conviction to a fine of ten thousand dollars and to imprisonment for a term of one year or to both; or
- (b) on conviction on indictment to a fine of fifty thousand dollars and to imprisonment for a term of three years or to both.

(2) If an offence under this Act has been committed by a company, every person who at the time of the commission of the offence—

- (a) was director or other similar officer of the company; or
- (b) was acting or purporting to act in such capacity, is considered to have committed the offence;

unless it is proved by that person, that the offence was committed without his knowledge or consent.

9. Compounding offences

(1) Subject to subsection (2), where a person has committed an offence under this Act, the Comptroller may at any time before conviction compound the offence and order the person to pay such sum of money as the Comptroller thinks fit, not exceeding the amount of the maximum fine and any special penalty to which that person would have been liable if he had been convicted of the offence.

(2) The Comptroller shall not exercise his powers under subsection (1) unless the person in writing admits that he has committed the offence and requests Comptroller to deal with the offence under this section.

(3) An order made by the Comptroller under subsection (1) shall—

- (a) be in writing and signed by the Comptroller; and
- (b) specify—
 - (i) the offence committed;
 - (ii) the sum of money ordered to be paid; and
 - (iii) the date on which payment is to be made or the dates on which instalments of that sum are to be paid, as the case may be.

(4) The Comptroller shall attach the written admission and request referred to in subsection (2) to the order, and give a copy to the person who committed the offence.

(5) Where the order provides for payment by instalments and there is default in payment of any instalment, the whole of the balance then outstanding shall become due and payable forthwith.

(6) Where the Comptroller compounds an offence in respect of a person, that person shall not be liable to any prosecution or, as the case may be, any further prosecution in respect of the offence and, if any such prosecution or further prosecution is brought, it shall be a good defence for that person to prove that the offence has been compounded under this section and the provisions of the order under subsection (1) have been complied with.

(7) An order under subsection (1)—

- (a) may be enforced in the same way as the judgment for the payment of the amount stated in the order or the amount outstanding, as the case may be;
- (b) shall, on production to any court, be treated as proof of the commission of the offence by the person and of the other matters set out therein; and
- (c) is final and shall not be subject to any appeal.
