**GOVERNOR GENERAL'S ORDER GIVING EFFECT TO THE CONSTITUENCIES  
BOUNDARIES COMMISSION REPORT**

**STATUTORY INSTRUMENT**

**2018, No. 9**

**WHEREAS**, by section 55(4) of the Constitution, the Governor General is required to make an order in terms of the draft Order approved by a Resolution of the House, giving effect to any recommendation submitted by the Commission; and

**WHEREAS**, the said draft was approved by the House on 22nd day of February, 2018.

**NOW, THEREFORE, I**, Rodney Williams, GCMG Knight Grand Cross of the Most Distinguished Order of Saint Michael and Saint George, KGN Governor General, do hereby order as follows: -

**1. Short title.**

This Order may be cited as the Constituencies Boundaries Commission Order, 2018 (S.I. 2018 No. 9).

**2. Constituencies Boundaries.**

Antigua and Barbuda is divided into Seventeen (17) Constituencies. The boundaries in the Schedule hereto are the same as those defined in the Schedule to the Constituencies Boundaries Commission Order 2008, S.I 2008, No. 50 of 2008 and reproduced in the Schedule below.

**3. Commencement.**

This order comes into force on the 13th day of March, 2018.

**SCHEDULE****Name of Constituencies  
Boundaries**

- 1. St. John's City West** — All that portion of the Parish of Saint John bounded as follows:—
- NORTH — The corner of Fort Road and Lower Fort Road and continuing westward on Lower Fort Road to the sea.
- SOUTH — by the junction of Newgate Street and Popeshead Street thence westward along Newgate Street to where it meets the drain by Barnes Funeral Home thence in a southerly direction along the said drain and continuing to the sea.
- EAST — by the junction of Lower Fort Road and Fort Road and continuing in a southerly direction along the said Fort Road entering into Popeshead Street, and continuing to the junction of Popeshead Street and Newgate Street.
- WEST — by the sea.
- 2. St. John's City East** — All that portion of the Parish of Saint John bounded as follows:—
- NORTH — by the junction of the public road lying to the north of the Oil Refinery at Friars Hill and the Friars Hill Road and running in a westerly direction until it meets the Marble Hill Road and continuing along Marble Hill Road in a southerly direction generally, then westerly to the junction of Marble Hill and Anchorage Roads.
- SOUTH — by the junction of Popeshead Street and Newgate Street and running in an easterly direction along the said Newgate Street where it ends at the junction of Newgate Street and Cross Street.

- EAST — by the junction of Newgate Street and Cross Street and continuing northwards along the said Cross Street, then along the Cemetery Road and Friars Hill Road to the junction of the public road north of the Oil Refinery at Friars Hill and the Friars Hill Road.
  - WEST — by the junction of Marble Hill and Anchorage Roads and running in a southerly direction along Anchorage Road and continuing along Fort Road entering into Popeshead Street and continuing to the junction of Popeshead Street and Newgate Street.
- 3. St. John's City South** — All that portion of the Parish of Saint John bounded as follows:—
- NORTH — by the junction of the Old Parham Road and Independence Avenue then westward along Bishopgate Street where it meets at the junction of Bishopgate Street and Cross Street thence south to the junction of Cross Street and Newgate Street. It then continues westward along Newgate Street to where the said street meets the drain by Barnes Funeral Home thence in a southerly direction along the public road lying west of the drain and continuing to the sea.
  - SOUTH — from Fevergrass Drive and continuing westward along the All Saints Road to the junction of the All Saints and Bendals cross-road then turning right along the American Road directly opposite National Office of Disaster then westward along the public road to the point where it meets the southern boundary of Ottos Comprehensive School and from that point continuing southward along a road east of the National Bakery and west of the Baptist Church to Scotland Street, thence westward along the said Scotland Street to the point where it merges into Camacho's Avenue and continuing southwards on Camacho's Avenue to the point where it meets the All Saints Road at the Texaco Gas Station. Then continuing westwards along the said All Saints Road to the point where it meets

the public thoroughfare which is situated north of the Public Market and south of the triangular portion of land then continuing along the said public road down to the sea.

EAST — by the junction of the Old Parham Road and Independence Avenue and continuing in a southerly direction along Independence Avenue to the junction of the Factory Road at the Cenataph, then in an easterly direction along the Factory Road to the point where it meets the road which is west of the Old Parliament Building extending in a southerly direction to the Queen Elizabeth Highway thence in an easterly direction to the junction of Factory and American Roads. Then continuing southward along the American Road to Scotts Hill Road then along the said road leading to the east of the Old Television Station Building. It then continues to the ridge of the Belmont Hill and southwards to a point where it meets the northern boundary of All Saints West at Fevergrass Drive.

WEST — by St. John's Harbour and the sea.

**4. Saint John's Rural South** — All that portion of the Parish of Saint John including the whole of Nut Grove, Golden Grove (West of the Valley Road), Kentish Village (eastside), Ottos Development, Ottos New Town, Radio Range and bounded as follows:—

NORTH — in part by the southern boundary of the Constituency of St. John's City South and continuing from that point where Camacho's Avenue meets All Saints Road, then in a northerly direction along the said Camacho's Avenue to the point where Scotland Street starts at the site of Antigua Plumbing and Hardware Store and proceeding along the said Scotland Street to a point on the said street which is located at the road east of the National Bakery and west of the Baptist Church, then in a northerly direction towards the boundary of Ottos Comprehensive School, and continuing along the said boundary fence in an easterly direction then along the

public road to the point on the American Road directly opposite National Office Of Disaster.

- SOUTH — from the junction of the Bendals and All Saints Roads, then continuing westward along the All Saint Road to the junction with De Souza Road and continuing along the said De Souza Road to the point where it meets the Valley Road then continuing southward along the said Valley Road to the boundary with the Parish of St. Mary at Creekside, then in a westerly direction along the St. Mary's Parish boundary where it meets the eastern boundary of St. John's Rural West.
- EAST — by a portion of the southern boundary of the Constituency of St. John's City South from a point opposite National Office of Disaster which is located on the American Road and continuing southwards along said American Road to its junction with All Saints Road and Bendals Road.
- WEST — by the eastern boundary of St. John's Rural West.
- 5. St. John's Rural West** — All that portion of the Parish of Saint John including the whole Village of Five Island bounded as follows:—
- NORTH — by the junction of the public road west of the Public Market and the public thoroughfare which is situated north of the Public Market and continuing westward to the sea and further by St. John's Harbour and the sea at Hanson's Bay.
- SOUTH — from Hanson's Bay and continuing eastward along the Parish boundary of St. Mary's to the point where the Eastern boundary of St. John's Rural West meets the Parish boundary of St. Mary at Creekside.
- EAST — by the junction of the public road west of the Public Market and the public thoroughfare which is situated north of the Public Market and continuing in a southerly direction along the said public road onward into Kentish Road turning right into Gray's Crescent

and proceeding along the Gray's Hill Road to Patrick Pearson's residence, bearing the following land particular Registration Section, Cooks Estate Block #54 1489B Parcel 248, and continuing southwards along Pearson's western boundary line and along parcel 647 thence along the Public Road which ends at the T Junction of the public road that leads to Cooks Mill then in a westerly direction to the point where it meets the road lying south of Cooks Mill then in a southerly direction to the Parish boundary of St. Mary.

WEST — by the sea

**6. St. John's Rural East** — All that portion of the Parish of Saint John bounded as follows:—

NORTH — by the junction of the Friars Hill Road and Cedar Valley Road which leads into the Estate of Cedar Valley (hereinafter referred to as the Cedar Valley Road) and running in an easterly direction along the said road through Cedar Valley Estate to the point that is South of Mount Pleasant (elevation 442) then southward along the Cedar Valley Road then eastward to the point where it meets the main public road leading into New Winthorpes, Barnes Hill and Thibou's Estate.

SOUTH — from the Cenotaph in an easterly direction to the road west of the Old Parliament Building then in a southerly direction on the said road to where it meets the Queen Elizabeth Highway then easterly along the Queen Elizabeth Highway where it meets the Factory Road and continuing to the junction of the said road where it meets the Sir George Walter Highway and Sir Sydney Walling Highway at Tomlinson's.

EAST — by the junction of the Cedar Valley Road and the main public road leading into New Winthorpes, Barnes Hill and Thibou's Estates and running in a southerly direction towards Cassada Garden to the

point where it meets the Old Parham Road then eastwards to the junction of the Old Parham Road and the Sir George Walter Highway and continuing in a southerly direction on the said road to the point where meets Sir Sydney Walling Highway and Factory Road at Tomlinson's.

WEST — by the junction of the public road leading into Cedar Valley Estate on the Friars Hill Road and continuing in a westerly direction then southerly along the said Friars Hill which forms part of the Constituency of St. John's City East to the point where it meets the eastern boundary of the Constituency of St. John's City South at Bishopgate Street and Cross Street then continuing along the eastern boundary of the said Constituency of St. John's City South to a point where it meets Independence Avenue and the Factory Road at the Cenotaph.

**7. St. John's Rural North**

— All that portion of the Parishes of Saint John and Saint George bounded as follows:—

NORTH — from a point on the High Water Mark at Fort Bay where an extended line from Lower Fort Road meets the sea and continuing northwards, then eastwards along the north shores of the island then in a southerly direction to a point south of Barnacle Point where an extended line meets the High Water Mark from the southern side of Runway 10 at Coolidge.

SOUTH — from the point where Lower Fort Road meets the sea and continuing eastwards along the said Lower Fort Road to its junction with Fort Road and thence northward along Anchorage Road to its junction with Marble Hill Road and continuing along the said Marble Hill Road to its junction with the public road lying to the north of the Oil Refinery and leading to the Friars Hill Road junction, then in a northerly direction along Friars Hill Road to its junction with Cedar Valley Road then in a easterly direction along the said Cedar Valley Road to a point situated south of Mount Pleasant, then in a northerly direction to the

radar at Mount Pleasant then along the ridge to the point north of Parcel 943 Block 43-1896A Registration Section Hodges Bay and Thibous which divides Thibou's Estates, Lambert Development and Lambert Cemetery and continuing eastward passing north of the Lamberts Cemetery to a point on the Thibou's Road approximately 1200 ft north of the Sugar Mill at Thibou's Estate, then south along the Thibou's Road to the Sugar Mill at Thibou's Estate then in a south easterly direction to a point on the road located north of Scotland's residence and south of the Sugar Mill Hotel.
