

2023-07-25

OBJECTS AND REASONS

This Bill would make provision for deferment of the payment of the amortizations and interest due on debt on the occurrence of a natural disaster or a pandemic event under certain enactments.

Arrangement of Sections

1. Short title
2. Amendment of enactments

SCHEDULE

Consequential Amendments

BARBADOS

A Bill entitled

An Act to make provision for deferment of the payment of the amortizations and interest due on debt on the occurrence of a natural disaster or a pandemic event under certain enactments.

ENACTED by the Parliament of Barbados as follows:

Short title

1. This Act may be cited as the *Debt (Natural Disaster and Pandemic Deferment of Payment) (Miscellaneous Provisions) Act, 2023*.

Amendment of enactments

2. The enactments set out in Column 1 of the *Schedule* are amended in the manner specified in Column 2 of the *Schedule*.

SCHEDULE

(Section 2)

CONSEQUENTIAL AMENDMENTS

Enactment

Amendments

- | | |
|--|--|
| 1. <i>External Loan Act</i> , Cap. 94D | The <i>External Loan Act</i> , Cap. 94D is amended by inserting immediately after section 9 the following: |
|--|--|

"Natural Disaster Deferment

10.(1) Where a natural disaster has occurred in respect of which a policy payment was made to the Government under the CCRIF Policy and subject to subsection (2), the Government may elect to defer the payment of the principal amortizations and interest payments to holders of the securities on the date of payment under the securities.

(2) The Government shall be entitled to defer the payment of the principal amortizations and interest payments falling due on the securities following the occurrence of a natural disaster for the consecutive 2 year period immediately after the submission of a deferral claim by the Government to the holders of the securities or for the consecutive 2 year immediately from and including the next interest payment date after a deferral claim was submitted by the Government to the holders of the securities where

- (a) the CCRIF Policy is in effect and CCRIF has issued a written report confirming that the natural disaster is an insured event in respect of which a CCRIF Policy Payment has been made to Barbados;

(Cont'd)

shall be rounded down to the nearest number that is divisible by 5; and

"return period", in relation to years, means the return period applicable to the natural disaster in accordance with the relevant provisions of the model and formulae described in the CCRIF Policy.

Pandemic Event Deferment

11.(1) Where a pandemic event has occurred, subject to subsection (2), the Government may elect to defer the payment of the principal amortizations and interest payments to holders of the security on the date of payment under the security.

(2) The Government shall be entitled to defer the payment of the principal amortizations and interest payments falling due on securities following the occurrence of a pandemic event for the consecutive 2 year period immediately after the submission of a deferral claim by the Government to the holders of the security.

(3) The deferred payment amount shall remain outstanding and shall continue to accrue interest in manner set out in subsection (4).

(4) The portion of the deferred payment amount that is comprised of interest shall be capitalized and added to the principal as each interest payment falls due under the terms of the security after the relevant deferral date and as that interest is converted into principal, the principal amount of the security shall be increased in the amount of the deferred interest.

Schedule - (Cont'd)

CONSEQUENTIAL AMENDMENTS - *(Cont'd)*

Enactment

Amendments

1. *External Loan Act*, Cap. 94D
(Cont'd)

(5) Beginning with the next payment date following a deferral date, each remaining principal amortization of the security, shall be

(a) paid as a single payment if the original maturity was a single payment; or

(b) increased by an amount equal to a pro rata portion of principal that is being deferred on the deferral date, taking into account the number of remaining principal amortization payments of that security.

(6) Upon electing to defer the payment of the deferred payment amount, the Government shall at its own expense provide notice thereof to be known as a "deferral claim" to the security holders.

(7) The deferral claim, referred to in subsection (6), shall in relation to the securities, describe in reasonable detail the particulars of the pandemic event.

(8) The Government shall be entitled to make no more than 3 deferral claims under each security.

(9) For the purposes of this section,

"deferral date" means the payment date under the relevant security next following submission of a deferral claim;

"deferred payment amount" means all principal amortizations and interest payments falling due on securities for the consecutive 2 year period immediately following the deferral date;

Enactment

Amendments

4. *Special Loans Act*, Cap. 105
(Cont'd)

(5) Beginning with the next payment date following a deferral date, each remaining principal amortization of the bond, shall be

(a) paid as a single payment if the original maturity was a single payment; or

(b) increased by an amount equal to a pro rata portion of principal that is being deferred on the deferral date, taking into account the number of remaining principal amortization payments of that loan.

(6) Upon electing to defer the payment of the deferred payment amount, the Government shall at its own expense provide notice thereof to be known as a "deferral claim" to the lenders.

(7) The deferral claim, referred to in subsection (6), shall in relation to the loans, describe in reasonable detail the particulars of the pandemic event.

(8) The Government shall be entitled to make no more than 3 deferral claims under each loan.

(9) For the purposes of this section,

"deferral date" means the payment date under the relevant loan next following submission of a deferral claim;
