"local authority" means a municipal corporation or a parish council;

"the Minister" means the Minister for the time being responsible for social services and related matters;

"social welfare organization" means any society or association of persons the purposes of which consist of or include the promotion or maintenance of social welfare, but does not include any Government Department or Government Board, any local authority, the Bermuda Hospitals Board, or the governing body of any school.

(2) In this Act "social welfare" shall be construed as denoting desirable standards or conditions of moral or physical being; and any reference to social welfare shall be construed as reference to social welfare among the people of Bermuda or any section or part thereof.

General duties of Minister

2 The Minister shall—

- (a) generally promote and maintain the social welfare of the people of Bermuda by such means and in such manner as he may determine;
- (b) collect such information and prepare and maintain such statistical or other records relating to social welfare as he may consider desirable; and
- (c) advise and assist local authorities and social welfare organizations with respect to measures undertaken or contemplated by such authorities or organizations for the promotion and maintenance of social welfare and endeavour to co-ordinate their activities in relation to such measures.

Minister to administer Government social welfare undertakings

3 (1) The Minister shall administer any Government social welfare undertaking.

(2) For the purposes of this section—

- (b) "Government social welfare undertaking" means any social welfare undertaking the expenses of the establishment and maintenance of which are defrayed wholly out of public funds; and moneys or funds which are contributed or bequeathed to the Minister or to the Government for the benefit of a social welfare undertaking shall, unless a contrary intention appears, be deemed to be public funds;
- (c) "social welfare undertaking" does not include any undertaking or measure which under any Act or law falls within the functions of any Minister other than the Minister as defined in section 1 but, subject as aforesaid, "social welfare undertaking" means any undertaking or measure for the promotion or maintenance of social welfare.

(3) The Minister may, to such extent and subject to such conditions as he may determine, delegate any of his duties under this section to any persons or association of persons approved by him and subject to his directions.
