NOTICE — A Certificate of Registry is not a document of Title. It does not necessarily contain notice of all changes of ownership, and in no case does it contain an official record of any mortgages affecting the ship. In case of any change of ownership it is important for the protection of the interests of all parties that the change should be registered according to law. Should the Vessel be lost, sold, or broken up, notice thereof, together with the Certificate of Registry, if in existence, should immediately be given to the Registrar of Bahamian Ships at the nearest Registry Office.
