THE BAHAMAS NATIONAL TRUST ACT
(CHAPTER 391)

**THE BAHAMAS NATIONAL TRUST (PRESERVATION OF
NATIONAL PARKS) BYLAWS, 2022**

In exercise of the powers conferred by section 24 of the Bahamas National Trust Act (*Ch. 391*), the Council, in consultation with and with the approval of the Minister, hereby makes the following Bylaws —

PART I - PRELIMINARY

1. Citation.

These Bylaws may be cited as the Bahamas National Trust (Preservation of National Parks) Bylaws 2022.

2. Interpretation.

- (1) In these Bylaws, unless the context otherwise requires —
- “**Act**” means the Bahamas National Trust Act (*Ch. 391*);
 - “**aircraft**” means an airborne craft of any type, whether self-propelled or not, and includes a hovercraft or drone while in the air;
 - “**animal**” means any member of the animal kingdom including, but not limited to a mammal, bird, reptile, amphibia, fish, mollusc, fungi or any other living organism;
 - “**authorized**” means authorized in writing by a warden or other authorised person or Officer of the Bahamas National Trust;
 - “**blue hole**” means a land, seabed or terrestrial subsurface void which is open to the surface and has developed in a bank or island composed of a carbonate bedrock;
 - “**ecosystem**” means a biological community of interacting organisms and their physical environment;
 - “**fishing or to fish**” means to search for, catch, take or harvest any fishery resource and includes the placing of, searching for or recovering any fishing device or other gear to aid in the search for, catching or harvesting of any fishery resource;
 - “**hunting**” includes, but is not limited to, any act preparatory to and the intentional killing, capturing, driving or luring any species of

animal by any means, method or device whatsoever or to search for, lie in wait for, pursue, shoot at, tranquilize or immobilize such species and further includes taking eggs or nests of any such animal;

“**idle speed**” means the minimum speed at which a vessel’s engine provides steerage;

“**invasive species**” means a species that is not native to a specific location (an introduced species), that has a tendency to spread to a degree believed to cause damage to the environment, human economy or human health;

“**organism**” means an individual animal, plant, or single-celled life form;

“**park**” means a park specified in the *First Schedule*;

“**vessel**” means a boat, jet-ski, sailboard, raft, pontoon or any other man made object capable of floating on water and includes a hovercraft while on the sea;

“**waste**” includes any matter prescribed to be waste by any other law, and any matter, whether liquid, solid, gaseous or radioactive, which is discharged, emitted or deposited in the environment in such volume, composition or manner as to affect or cause an alteration of the environment.

3. Application of Bylaws.

These Bylaws shall apply to the trust property specified in the *First Schedule* and held by the Bahamas National Trust for the purposes of the Act (commonly and collectively known as “National Parks”).

PART II – CONSERVATION, PRESERVATION AND PROTECTION OF PARKS

ENVIRONMENTAL PROTECTION

4. Prohibition against pollution.

No person shall within a park —

- (a) except in an area or receptacle provided for that purpose, deposit or leave any litter, bottle, broken glass, china, pottery, plastic article, rubbish, or other solid or other waste material;
- (b) deposit, discharge or leave any noxious, smelly, poisonous, offensive or polluting substance, matter or thing;

- (c) deposit or leave any fish or animal carcasses, parts or offal, or other animal waste;
- (d) deposit, burn, or discharge any liquid or solid waste or any other material which leave ash, coal, ember or chemical residue; or
- (e) deposit, discharge or leave any mineral, mineral waste or other industrial waste or by-product within a park.

5. Prohibition against noise.

- (1) No person shall within a park —
 - (a) cause any broadcast or emission of music or other sound effects of such volume such as likely to constitute a nuisance or disturbance to others or to wildlife directly or indirectly; or
 - (b) cause or carry out any activity likely to result in nuisance or disturbance of any park user, or wildlife.
- (2) As to whether any noise or sound levels or other activity provided for in subsection (1) constitutes or may constitute a nuisance or disturbance shall be in the absolute discretion of the warden on duty and in the vicinity of such activity, and such warden's directives in that regard shall be conclusive.

PROTECTION OF RESOURCES

6. Plants and other natural resources.

- (1) No person shall unless authorized, take or put ashore, introduce, or release any plant or other living organisms into any area of a park.
- (2) No person shall unless authorized, take, molest, injure, destroy, deface or remove from a park or transport from place to place in the park any —
 - (a) soil, rock, beach or seabed sand, shells, guano, mineral or similar material;
 - (b) wood, mulch or other dead vegetation; or
 - (c) fossil or archaeological remains.
- (3) No person shall intentionally disturb any —
 - (a) soil or similar material in a park; or
 - (b) wood, mulch or other dead vegetation; or fossil or archaeological remains in a park.

7. Restriction on animals in a park.

- (1) No person shall, unless otherwise authorized, take or put ashore, introduce, or release any animal or other living organism into any area of a park.
- (2) Notwithstanding subsection (1), and subject to any restrictions which may be imposed by the erection of a sign or notice, a person may take a dog into a park if the dog is —
 - (a) at all times accompanied by a person capable of controlling the dog; and
 - (b) properly leashed and confined to the area of the beach and certain designated areas.
- (3) For the purposes of this section a leash must not exceed two metres.
- (4) No person shall —
 - (a) permit or cause to permit any domesticated animal to harass or threaten wildlife in a park, trail or brush;
 - (b) feed any animal found in a park, unless otherwise authorized by the erection of a sign by the Bahamas National Trust.

8. Restriction on fishing.

- (1) No person shall, unless otherwise authorized —
 - (a) kill, capture, fish, take, injure, harass, or wilfully chase any organism or species within or from a park;
 - (b) transport —
 - (i) from place to place within a park; or
 - (ii) have within his possession within a park, any natural, existing, or occurring organism, matter or thing in any area of the terrestrial, freshwater or marine environment of the park taken in violation of these Bylaws.
- (2) For the purposes of paragraph (1) —

“fresh water or marine environment” includes any foreshore, creek, wetland area, sea or sea-bed area;

“thing” includes —

 - (a) any species of fish, marine mammal, turtle, craw fish and lobster, conch, whelks and other marine snail and shell, coral, sea-fan, sponge and other gorgonian and all other forms of marine life;

- (b) any mammal, reptile, crustacean and all other invertebrates including a land-crab, amphibian or bird including the eggs, squab and nest thereof; and
- (c) all forms of plant life or material whether living, dead or fossilised.

OTHER PROHIBITED AND RESTRICTED ACTIVITIES

9. Prohibition against erecting or damaging a structure, etc.

- (1) No person shall within a park —
 - (a) injure, deface, remove or displace any or any part of a building, sign, ruin, dune, cairn, wall or other structure;
 - (b) injure, deface, remove or displace or touch any artefact;
 - (c) add to or erect any rock, cairn, shed or other structure.
- (2) For the purposes of this Bylaw, an “umbrella”, “tarpaulin”, or a “tent in active use” shall not be deemed to be a structure.

10. Restriction of commercial entertainment.

No person shall, unless authorized —

- (a) put on any show, display any exhibition or other like thing on any lands, submarine areas, or property of the Bahamas National Trust;
- (b) make any movie or film for commercial purposes on any lands, submarine areas, or property of the Bahamas National Trust.

11. Restriction on access and use of caves.

- (1) No person shall —
 - (a) urinate or defecate in a cave;
 - (b) smoke any tobacco or other product in a cave;
 - (c) disturb, touch or interfere with any artefact in a cave;
 - (d) inscribe or carve graffiti in a cave;
 - (e) use any paint, dye or marker in a cave, or release any substance into the waters of a cave; or
 - (f) light a fire or burn any material in a cave.
- (2) No person shall —
 - (a) enter a cave; or
 - (b) dive in the waters of a cave or sink hole, unless accompanied by a warden or other authorised personnel.

- (3) For the purposes of this Bylaw, a "**cave**" —
 - (a) means any naturally occurring void, cavity, recess, or system of interconnected passages which occurs beneath the surface of the earth or within a cliff or ledge including any cave resource therein, and which is large enough to permit an individual to enter, but not including any mine, tunnel, aqueduct, or other manmade excavation; and
 - (b) includes any natural pit, sink-hole, or other feature, which is an extension of the entrance and including any such system that is submerged in water.

12. Restriction on erection of signs.

No person shall, unless authorized, erect any sign, placard, advertisement or notice anywhere within a park.

13. Restriction on use of fireworks and weapons, etc.

- (1) No person shall, unless authorized, display, use, or discharge, any explosives, fireworks, firearm (other than a flare gun for distress signalling), spear gun, harpoon gun or other weapon or implement within a park.
- (2) For the purposes of paragraph (1), "other weapons" shall not include a tool or utensil ordinarily utilized when camping.
- (3) Nothing in this Bylaw shall be construed as restricting or preventing a warden from bearing and using arms in the execution of his duties.

14. Prohibition on unauthorized hunting.

- (1) No person shall hunt within a park, unless such person —
 - (a) is authorized under Part III;
 - (b) is in possession of a valid licence under the provisions of the Firearms Act (*Ch. 213*).
- (2) For the purposes of this Bylaw, "**hunting**" includes, but is not limited to —
 - (a) any act preparatory to the intentional killing, capturing, driving or luring any species of animal by any means, method or device;
 - (b) the intentional killing, capturing, driving or luring any species of animal by any means, method or device; or
 - (c) searching, lying in wait for, pursuing, shooting at, tranquillizing or immobilizing any species, or taking the egg or nest of any species.

15. Prohibition of operation of vessel or vehicle.

- (1) No person shall operate or permit the operation of any vessel —
 - (a) within any mooring field or anchorage, or other area designated as “Idle Speed” or “No Wake” zones, at a speed above such vessel’s idle speed or at a speed which raises more than minimal wake;
 - (b) in any area in which such operation is prohibited by the erection of a sign or notice; or
 - (c) in such a manner as to disturb, damage or otherwise injure coral, sea grass, or other organisms attached to the seabed or to cause prop-scarring or strike or cause injury to marine life.
- (2) No person shall —
 - (a) use or operate any jet-ski or other motorised personal water craft within any creek or in any area in which —
 - (i) the operation is prohibited by the erection of a sign or notice; or
 - (ii) is in such proximity to other park users, such as to constitute a nuisance or disturbance;
 - (b) without lawful authority, draw or propel any carriage, cart, caravan, truck, motor vehicle, cycle, all-terrain vehicle, motor cycle, or any other vehicle upon any lands, submarine areas, or property of The Bahamas National Trust.

16. Restriction on anchoring.

- (1) No person shall —
 - (a) cast or drop any anchor in any place where damage to coral, sea grass, or other organisms attached to the seabed is likely to result;
 - (b) place or cause to be placed within a park, any permanent mooring.
- (2) A person may only anchor within a park in an area —
 - (a) designated by the erection of a sign or notice by The Bahamas National Trust; or
 - (b) identified in a navigation publication by an entity authorized to designate such.

17. Prohibition on unauthorized park access.

- No person shall, unless authorized, enter an area designated within a park —
- (a) as restricted by an erected sign or notice indicating that access is prohibited or restricted;

- (b) for bird nesting, unless such authorization is indicated by an erected sign or notice.

18. Prohibition against unauthorized camping.

- (1) No person shall camp within a park unless that person is authorized so to do.
- (2) Where a person has been granted permission to camp in a park, that person shall —
 - (a) remain in the area designated for camping, as specified;
 - (b) observe any direction given by a warden; and
 - (c) leave the area designated in the condition in which it was met.
- (3) For the purposes of this bylaw, “**camp**” includes overnighting in a vehicle or vessel.

19. Restriction on grilling in a park.

- (1) A person may engage in outdoor cooking using charcoal or wood in an area designated by the erection of a sign or notice or other publication.
- (2) Every person who engages in outdoor cooking must abide by any guidelines imposed for outdoor cooking and camp fires as indicated by the erection of a sign at the designated site or other publication.

20. Prohibition of unauthorized flight of aircraft over a park.

- (1) No person shall, unless authorized —
 - (a) take off in any aircraft from a park; or
 - (b) fly or hover over a park at a level of less than one thousand feet.
- (2) Paragraph (1) shall not apply in the event of an emergency as authorized by The Bahamas National Trust.
- (3) The operator of an aircraft shall at all times comply with the any laws in force at the time governing civil aviation.

21. Permission to conduct scientific research.

- (1) No person shall within a park carry out or conduct a study or research or enter or remain in a park for such purpose, unless that person has —
 - (a) if applicable, the requisite permit or other authorisation to conduct such study or research by virtue of any other written law in force; and
 - (b) a permit or such other written authorisation from The Bahamas National Trust so to do.

- (2) Subsection (1) shall not apply to —
 - (a) a warden or other authorised officer with responsibility for enforcing these Bylaws;
 - (b) a person authorised to seize, hold or remove any specimen for evidentiary purposes;
 - (c) an authorised person acting in the service of The Bahamas National Trust (whether paid or voluntary), who is conducting any—
 - (i) construction, restoration, scientific or educational activity;
 - (ii) tree or plant transplanting project; or
 - (iii) animal control or animal eradication.

PART III – PROVISIONS RELATING TO SPECIFIC PARKS

22. Application of Part.

Notwithstanding the provisions of Part II, the provisions in this Part shall apply to the park as specified.
