*SI 66/1965
SI 155/1972*

(SECTION 13)

[Commencement 20th March, 1965]

1. These Rules may be cited as the Windsor Field Airport Rules. Short title.

2. The purpose of these Rules is to provide for the safety of life and property on the Windsor Field Airport and to provide for the protection of public and private property within the boundaries of the airport and for the general administration of the airport. Purpose.

3. In these Rules, unless the context otherwise requires — Interpretation.

“airport” means the Windsor Field Airport, New Providence under the control of the Minister;

“authority” means the Minister or a person duly appointed by him;

“Minister” means the Minister appointed under section 3 of the Civil Aviation Act, or any public officer authorised by him to discharge any of the functions of the Minister under the provisions of these Rules.

4. (1) These Rules shall apply to all persons on any part of the airport. Application of Rules.

(2) It shall be unlawful for any person to enter upon any restricted area of the airport except with the written permission of the Minister or his duly authorised

representative. Restricted areas of the airport are those areas so designated by notice boards erected by authority.

(3) It shall be unlawful for any person to enter any area set aside for the use of The Bahamas Government, private offices in the terminal building, the landing field, runways, taxiways, apron areas or the loading aprons of the airport, except —

SI 155/1972

- (a) persons assigned to duty or having official business therein and wearing identification badges of such type as may be approved by the authority;
- (b) passengers under appropriate supervision crossing the apron area when entering or leaving aircraft; and
- (c) persons authorised by the Minister and being in possession of a pass issued by the Minister or by his authorised agent:

Provided that any such pass must be endorsed by the Comptroller of Customs in order to authorise the holder to enter any such area for the purpose of meeting an aircraft arriving from outside The Bahamas or any person aboard any such aircraft.

(4) No person shall be permitted upon aircraft or upon taxiways or runways or any portion of the airport contained therein, except with the authorisation of the Minister and subject to prior clearance from the Airport Control Tower.

(5) Aircraft operators or their agents are responsible for the supervision of the loading of their passengers and freight and they must ensure that customs and immigration requirements are strictly complied with. They must also request passengers not to smoke when on the ramp.

(6) No person shall enter the covered area immediately north of the customs inspection room during the time passengers are leaving or are about to leave that part of the building, except such passengers and any other persons who may be authorised in writing by the Minister. No person shall obstruct passengers leaving the customs inspection room by standing in or near any of the three exit doors.

-
- 5.** (1) Aircraft on the apron area shall be loaded or unloaded as soon as practicable, and in no case shall occupy space on the apron longer than one hour, except by permission from the Minister or his authorised representative. Aircraft parking on apron.
- (2) No person shall park any aircraft in any area on the airport other than that prescribed by the Minister or his authorised representative.
- 6.** (1) Aircraft operators or their agents and the respective pilots thereof shall be responsible for the prompt disposal of disabled aircraft. Disabled aircraft.
- (2) When a disabled aircraft is blocking any portion of the movement area on the airport, the pilots or other persons responsible for the aircraft shall make immediate arrangements to have the aircraft moved. In the event the aircraft is not moved as soon as is reasonably possible, the Minister may initiate action to have the aircraft moved at the expense of the owner.
- 7.** The pilot in command of an aircraft landing at the airport must file an arrival report with Air Traffic Control unless authorised not to do so by the Minister. Aircraft arrivals.
- 8.** The Minister or his authorised representative may delay or restrict any flight at the airport and may refuse take-off clearance to any aircraft for any justifiable reason. Departing aircraft.
- 9.** No aircraft shall be operated on the airport unless it is equipped with radio equipment capable both of transmitting and receiving messages. Radio equipped.
- 10.** No aircraft, aircraft engines and propellers shall be repaired at the parking gates which are used for loading and off-loading passengers. Repairs may take place only in areas specified by the Minister. Repairs to aircraft.
- 11.** (1) No person shall taxi or tow an aircraft to or from the hangar, or to or from an approved parking area unless he has been authorised to do so by the Airport Control Tower. Taxing rules for aircraft.
- (2) No aircraft shall be taxied except at a safe and reasonable speed.
- (3) No person shall start or run any engine in an aircraft unless a competent person is in the aircraft attending the engine controls.
-

(4) Aircraft engines may be warmed up only in places approved for such purposes by the Minister. Test runs by an aircraft on an engine at any time are forbidden except in an area approved by the Minister.

Soliciting or carrying on business.
