

Public Procurement (Amendment of Schedule) Regulations 2022

GN No. 256 of 2022

Government Gazette of Mauritius No.124 of 17 September 2022

THE PUBLIC PROCUREMENT ACT

Regulations made by the Minister, on the recommendation of the Procurement Policy Office, under section 61 of the Public Procurement Act

1. These regulations may be cited as the **Public Procurement (Amendment of Schedule) Regulations 2022**.
2. In these regulations –
"Act" means the Public Procurement Act.
3. The Second Schedule to the Act is amended by adding the following new item –
Procurement by the Central Water Authority for the completion of unfinished and remaining works in respect of the on-going project for the fixing of appurtenances, construction of chambers, household connection works, laying and commissioning of pipelines, road reinstatement thereto and other ancillary works thereto in and around the area of Rose Hill

Made by the Minister, on the recommendation of the Procurement Policy Office, on 14 September 2022
