**18.** A person authorized to perform the functions of the Authority shall not be personally liable for any loss or damage suffered to any person by reason of anything done or not done in good faith.

Power to delegate functions of Authority

**19.-(1)** The Authority may, in consultation with the Executive Committee, delegate some of its functions to any authorised person to act on its behalf.

(2) The functions under subsection (1) may be exercised subject to such conditions, qualifications, limitations or exceptions as the Authority may direct.

Conflict of interest

**20.-(1)** Where a person discharges responsibilities or performs functions or duties that fall within the scope of this Act, such person shall, if has an interest of a financial or fiduciary nature or otherwise that conflicts with such functions or duties, be required to promptly disclose in writing the nature of such interest.

(2) Where a disclosure is made pursuant to subsection (1), the Minister or the Director General, as the case may be, shall appoint another officer to perform such functions in respect of that matter.

(3) For the purposes of this section, a person has an interest in a matter if he:

- (a) may derive a financial or in-kind benefit from the matter;
- (b) is the spouse, child or parent of a person who may derive a financial benefit from the matter;
- (c) may have a financial interest in a person to whom the matter relates;
- (d) may have a fiduciary relationship with a person to whom the matter relates;
- (e) is a partner, director, officer, board member or trustee of a person who may have a financial interest in a person to whom the matter relates; or
- (f) may be interested in the matter because this Act so provides.

(4) The Authority shall not engage in any activity which would result in a conflict of interest with its functions and objectives.

(5) A person who contravenes subsection (1) commits an offence and shall, on conviction, be liable to a fine as set out in the Second Schedule or to a term of imprisonment not exceeding five

years or to both.

PART IV

FISHERIES CONSERVATION, MANAGEMENT AND DEVELOPMENT

Conservation  
and management  
measures

**21.**-(1) The Authority shall, in giving effect to its responsibilities pursuant to this Act, develop, implement, monitor and enforce conservation and management measures necessary to ensure the long-term sustainable use of fishery resources.

(2) Subject to subsection (1), the conservation and management measures shall be prescribed in the Regulations.

(3) Without prejudice to the jurisdiction and sovereign rights of the United Republic over resources in the Exclusive Economic Zone, conservation and management measures shall implement applicable international conservation and management measures, action plans and as may be appropriate, scientific recommendations adopted by any relevant regional fisheries management organization.

(4) Conservation and management measures shall be developed, where necessary, taking into account consultations with stakeholders.

(5) A person who contravenes any conservation and management measure taken pursuant to this Act commits an offence and shall, on conviction, be liable to a fine as set out in the Second Schedule or any other penalty that may be provided under this Act.

Fisheries  
research in  
Exclusive  
Economic Zone

**22.**-(1) The Director General shall, in collaboration with relevant research institutions and other stakeholders or as may be advised by the Technical Advisory Committee, arrange for research to be carried out concerning fisheries in the Exclusive Economic Zone.

(2) Research conducted under subsection (1) may include-

- (a) fish stock assessment;
- (b) studies on fish migratory patterns;
- (c) fishing season;
- (d) fish biology;
- (e) biodiversity;
- (f) environment;
- (g) ecology;
- (h) socio-economic factors;
- (i) Monitoring Control and Surveillance; or
- (j) any other research relating to fisheries.

(3) Where a research under this section involves an operator of a fishing vessel holding a licence or authorization issued under this Act, the Director General may enter into an agreement with such operator to participate in such research or tagging programme, and such agreement shall include requirements for the operator to-

- (a) retain the tags onboard; and
- (b) report to the Director General together with data on vessel name, catch position, date of capture, length and weight of individual tagged fish and name of person reporting the capture.

Implementation  
of regional  
conservation and  
management  
measures

**23.**-(1) The requirements of any applicable ICMM in the United Republic shall, without prejudice to the jurisdiction and sovereignty of the United Republic and upon such public notice of the applicable ICMM requirements, apply to:

- (a) any owner, operator or master of any Tanzanian fishing vessel that holds a valid licence or authorization issued by the Authority and is entered on the Record of Authorized Vessels of a relevant RFMO and authorized to fish for the species and in the area of competence under the mandate of such RFMO;
- (b) any owner, operator or master of any other fishing vessel that falls under this Act and the applicable ICMM; or
- (c) any Tanzanian citizen.

(2) It shall be a condition of every licence, authorization or other permission issued pursuant to this Act that each of the owner, operator and master of a relevant fishing vessel shall comply with the requirements of any ICMM from the date of public notice unless the Director General notifies an extension for a reasonable period of time to allow arrangements for compliance to be made.

(3) The Director General shall notify holders of licences and authorizations of the relevant obligations of each applicable ICMM upon its date of public notice to this Act.

(4) A person who contravenes this section commits an offence and shall, on conviction, be liable to a fine set out in the Second Schedule to this Act.

Fisheries  
Management  
Plans

**24.**-(1) The Executive Committee may designate priority fishery or fisheries for the purpose of developing Fisheries Management Plans and in doing so shall take into account recommendations of the Technical Advisory Committee, applicable

regional fishery bodies and international conservation and management measures adopted by applicable regional fisheries management organizations.

(2) The Director General may, in consultation with the stakeholders, prepare or cause to be prepared Fisheries Management Plans for any fishery or fisheries under this Act.

(3) Subject to subsection (2), the Director General shall prepare or cause to be prepared Fisheries Management Plans for any fishery designated as a priority by the Executive Committee in accordance with subsection (1).

(4) A Fisheries Management Plan under sub section (2) shall be approved by the Ministers.

(5) A Fisheries Management Plan shall:

(a) identify the fishery and its characteristics, including the:

- (i) current status of the fishery and resource, including area, species and fishing;
- (ii) possible adverse effects of fishing on the resource and environment;
- (iii) regional and international context, if applicable;

(b) specify the management objectives for the fishery;

(c) identify the process for development and implementation of the Fisheries Management Plan;

(d) specify management measures to be applied to the fishery;

(e) specify plans for monitoring and review of the fishery and the Fisheries Management Plan; and

(f) where appropriate, make provision in relation to any other matter necessary for effective conservation and sustainable use of the fishery resources.

(6) When approval has been given for a Fisheries Management Plan pursuant to subsection (4), the Minister shall cause:

(a) the Plan to be published in the *Gazette*; and

(b) copies of the Plan to be made available on the Authority website and any other place as the Minister considers appropriate.

(7) The Minister may make Regulations prescribing for the management measures, fines and penalties, as well as the licensing and enforcement powers and other requirements in Fisheries Management Plan.

(b) import, buy or sell a driftnet or any other fishing gear prohibited under this Act.

(2) A person who contravenes this section commits an offence and shall, on conviction, be liable to a fine not exceeding the maximum amount set out in the Second Schedule to this Act, and in addition, the prohibited gear shall be seized by the court.

Prohibition of interference with inspected fish and fish products

**29.**-(1) A person shall not, except with the written permission of the Director General:

(a) remove, alter or interfere with a trade description, seal, stamp or other mark applied to a container or a container system unit containing any fish or fish product that has been inspected by an authorized officer;

(b) add to, remove from or otherwise change the composition of any consignment of fish that has been certified as inspected by an authorized officer; or

(c) unseal or leave unsealed any boxes that have been inspected by an authorized officer.

(2) A person who contravenes this section commits an offence and shall, on conviction, be liable to a fine not exceeding the maximum amount set out in the Second Schedule to this Act, and in addition, any fish or fish products shall be seized by the court.

Prohibition of possession, trade or export of fish or fish products

**30.**-(1) A person shall not buy, sell, possess, export or otherwise trade fish or fish products taken or obtained in contravention of this Act.

(2) A person who contravenes this section commits an offence and shall, on conviction, be liable to a fine not exceeding the maximum amount described in the Second Schedule to this Act, and in addition, all fish or fish products shall be seized by the court.

Prohibition of trade of fish and fish products taken or obtained in contravention of laws of another State

**31.**-(1) A person shall not, in any area under the jurisdiction of the United Republic, on their own account or in any other capacity-

(a) cause or permit a person acting on their behalf to take, import, export, land, transship, transport, trade, sell, receive, acquire or buy any fish or fish product that was caught in contravention of the laws of another state; or

(b) use or permit a vessel to be used to engage in fishing or related activities for a purpose referred to in paragraph (a).

(2) This section applies to all persons, vessels, fishing, related activities and other activities governed by this Act.

(3) In this section, “illegal fish or fish product” means fish or fish product taken, possessed, transported or sold in violation of any law or regulation of another state or of any international conservation and management measure.

(4) Any person who contravenes this section commits an offence and shall, on conviction, be liable to a fine not exceeding the maximum amount set out in the Second Schedule to this Act.

(5) Where an international agreement with another State provides for a fine, penalty or other determination or any portion of it to be remitted to that State on conviction or other process, such remittance shall be made after all costs and expenses incurred by the United Republic have been deducted.

Declaration of  
and prohibitions  
respecting  
protected,  
threatened or  
endangered  
species

**32.**-(1) The Minister may, on the advice of the Director General and in consultation with the Minister responsible for fisheries in Tanzania Zanzibar and the Ministers responsible for environment in Mainland Tanzania and Tanzania Zanzibar, by order published in the *Gazette*, declare any fish as protected, threatened or endangered:

(a) that are designated as protected or endangered under an international agreement; or

(b) that the Director General recommends to be declared as protected, threatened or endangered, based on the best available scientific evidence.

(2) A person shall not take, land, sell, deal in, transport, receive, buy, possess, import or export any fish or fish product declared as protected or endangered in accordance with this section.

(3) A person who contravenes subsection (2) commits an offence and shall, on conviction, be liable to a fine not exceeding the maximum amount set out in the Second Schedule to this Act, and in addition the fish or fish products shall be seized by the court.

Designation of  
zones or areas

**33.**-(1) The Minister may, upon the recommendation of the Executive Committee and in consultation with the Minister responsible for fisheries in Tanzania Zanzibar, and by order published in the *Gazette*, declare any zone or area within the

Exclusive Economic Zone for:

- (a) purpose that is consistent with the objectives of this Act;
- (b) the conservation, management or protection of fishery resources;
- (c) the development of the fishing industry in the United Republic; or
- (d) any other purposes that are consistent with the objectives of this Act.

(2) The Director General shall, as appropriate, ensure the development and implementation of conservation and management measures for any zone or area established pursuant to subsection (1), and effectively monitor the activities and attainment of purposes for which they were established.

(3) A person shall not engage, permit or allow any other person to engage in any activity that:

- (a) is prohibited under an order made pursuant to subsection (1);
- (b) results in destruction or adverse impacts on the fishery resource in the zone or area declared pursuant to subsection (1); or
- (c) causes the objective of establishing such area to be unattainable.

(4) A person who contravenes subsection (3) commits an offence and shall, on conviction, be liable to a fine not exceeding the maximum amount set out in the Second Schedule to this Act:

Provided that in the event of contravention of subsection (3)(b), the offender shall be liable to full compensation for any destruction or adverse impacts and restoration of the zone or area to its original state.

Marine  
environmental  
quality

**34.-**(1) A person shall not introduce into the Exclusive Economic Zone, directly, indirectly, deliberately or accidentally, any deleterious substance, including substances which may have toxic, hazardous or other harmful properties or effects in relation to fish or marine environment.

- (2) The operator of any fishing vessel shall:
  - (a) take back to port for disposal any unused bait and waste generated on a fishing vessel by fish processing or other human activities; and

**59.**-(1) The Minister may, upon recommendation of the Director General and on adoption of any applicable international conservation and management measure or international agreement, make regulations imposing or prescribing conditions, specifications or any requirement on any matter of quality of fish or fish products to be exported, including processing establishments.

(2) The Minister shall, in consultation with the Minister responsible for fisheries in Tanzania Zanzibar, designate a competent authority quality control of fish or fish products to be exported.

(3) A person who fails to comply with any condition, specification or requirement prescribed in the regulations made under subsection (1), commits an offence and shall, on conviction, be liable to a fine set out in the Second Schedule to this Act.

Documentation required for import, export or re-export

**60.**-(1) The Director General shall ensure implementation of statistical documentation requirements of a relevant regional fisheries management organization for import, export or re-export of such species in accordance with such requirements as may be prescribed and by requiring:

- (a) submission of statistical documents by any person who imports, causes to import or intends to import any species of fish into the United Republic, including such statistical documents that may be adopted by a relevant regional fisheries management organization or prescribed under this Act;
- (b) validation by a government official or other authorized persons or institution of the flag state of the vessel that harvested tuna or tuna like species, if the vessel is operating under a charter arrangement, by a government official or other authorized persons of the exporting state;
- (c) validation of a re-export certificate by the Director of Fisheries for Mainland Tanzania.

(2) The operator of any fishing vessel or any person who imports or causes to be imported an illegitimate shipment as may be prescribed in the regulations or any person who exports, causes to be exported or intends to export or re-export fish from the United Republic contrary to any requirements made under this Act commits an offence and shall, on conviction, be liable to a fine set out in the Second Schedule to this Act.

#### PART VIII

##### MONITORING, CONTROL AND SURVEILLANCE

Monitoring,  
control and  
surveillance

**61.**-(1) The Authority shall ensure compliance with, and enforce the provisions of this Act, applicable international conservation and management measures and relevant international obligations of the United Republic through effective monitoring, control and surveillance.

(2) Monitoring, control and surveillance shall be carried out by fishery inspectors, authorized officers, observers and such other officers as the Director General may determine.

(3) The persons under subsection (2) shall have powers, authorities and responsibilities as provided for in this Act and any other relevant law.

(4) The Authority shall, in discharging its duties, be equipped with such vehicles, aircrafts, patrol boats, communications equipment and any other equipment necessary for efficient and effective implementation of the provisions of this Act.

Port State  
Measures  
application and  
implementation

**62.**-(1) The Port State Measures application and implementation shall apply to:

(a) foreign fishing vessels and fishing vessels not entitled to fly the flag of the United Republic that are seeking entry to a port or are in a port of the United Republic, except for:

- (i) fishing vessels of a neighbouring state that are engaged in artisanal fishing for subsistence, provided that there is cooperation between the United Republic and such neighbouring state to ensure that such fishing vessels do not engage in illegal, unreported and unregulated "IUU" fishing; and
- (ii) container vessels that are not carrying fish or, if carrying fish, are fish that have been previously landed, provided that there are no

clear grounds for suspecting that such vessels have engaged in fishing related activities in support of IUU fishing;

- (b) persons, vessels, vehicles, aircraft, export facilities or places engaged in or otherwise connected with any activity falling within the scope of this Act;
- (c) all fishing and fishing related activities in support of such fishing-
  - (i) in areas over which the United Republic exercises jurisdiction or sovereign rights;
  - (ii) in areas beyond national jurisdiction-
    - (aa) by nationals of the United Republic, including fishing vessels, persons and all persons on board such vessels or dealing with them or having any relevant relationship to them, to the extent that it does not conflict with the jurisdiction of another state;
    - (bb) as required pursuant to this Act, international agreement, relevant regional fisheries management organization or applicable international conservation and management measures; and
    - (cc) otherwise in relation to illegal, unreported and unregulated “IUU” fishing and fishing related activities in support of such fishing consistent with international law.

(2) For the purposes of this section, the provisions of the First Schedule to this Act shall have effect to the illegal, unreported and unregulated “IUU” fishing.

Designation of ports

**63.-**(1) The Ministers shall, in consultation with the Ministers responsible for maritime authorities-

- (a) designate and publicise the port or ports to which foreign fishing vessels may request entry; and
- (b) provide a list of each port designated pursuant to paragraph (a) to any international organization and to any relevant regional fisheries management organization in accordance to an applicable conservation and management measure.

(2) The Minister may, by regulations, prescribe the manner and procedure for port entry, inspection and use of ports by fishing vessel.

*Deep Sea Fisheries Management and Development Act*

---

Hot pursuit  
Cap. 238

**64.**-(1) A fishery inspector or authorised officer shall, in accordance with the Territorial Sea and Exclusive Economic Zone Act or any other relevant law, have power to pursue a vessel beyond waters of the United Republic based on evidence from:

- (a) vessel monitoring system;
- (b) geographical positioning system;
- (c) air photographing;
- (d) satellite system; or
- (e) any other accepted international technological communication system.

(2) A fishery inspector or authorised officer shall, in the exercise of the right of hot pursuit take into consideration relevant bilateral, regional or international instrument to which the United Republic is a party.

(3) A fishery inspector or any authorized officer shall, after exercising powers under subsection (1), inform the Director General who through the Ministry responsible for foreign affairs shall further inform the embassy of the flag state.

(4) An operator of any fishing vessel who fails to comply with the order to stop or with any powers exercised by a fisheries inspector or authorized officer, commits an offence and shall, on conviction, be liable to a fine set out in the Second Schedule to this Act, and the licence or authorization of the fishing vessel may be cancelled and fish or fish products on board be forfeited.

PART IX

ARREST, SEIZURE, DISPOSAL, RELEASE AND FORFEITURE  
OF SEIZED ITEMS

Arrest or  
detention and  
release of  
foreign fishing  
vessels and crew  
or members

**65.**-(1) In cases of arrest or detention of foreign fishing vessels for a contravention of this Act, the Director-General shall promptly notify the flag state, through appropriate channels, on action taken and penalties subsequently imposed.

(2) Any foreign fishing vessels and its crew arrested for the contravention of any provisions of this Act relating to any act of fishing or fishing activity shall be promptly released upon the posting of a reasonable bond or other security in the manner provided for under this Act.

Seizure of  
vessels, aircraft,  
etc

**66.**-(1) The Director General or an authorized officer may seize:  
(a) any vessel or other conveyance, fishing gear,

implement, appliance, material, container, goods, equipment or thing which the Director General or an authorized officer believes on reasonable grounds is being, has been or is intended to be used in the commission of an offence under this Act;

- (b) any fish or fish product, including any other fish with which such fish are intermixed, and the authorized officer believes on reasonable grounds are being or have been taken, killed, transported, bought or sold or have been found in the possession of any person in contravention of this Act;
- (c) any article, record or thing that the Director General or an authorized officer believes on reasonable grounds may provide evidence of an offence under this Act or contravention of an applicable international conservation and management measure;
- (d) any passport and seaman's record book:
  - (i) of the master and crew of a vessel directed to return to and remain in port pursuant to this Act until the vessel is permitted to depart;
  - (ii) of any person arrested, until that person is brought before a court; or
  - (iii) pursuant to any order of the court; and
- (e) any other item which the authorized officer has reasonable grounds to believe:
  - (i) has been or is being used or intended to be used to commit an offence under this Act;
  - (ii) has been forfeited under this Act; or
  - (iii) has been unlawfully removed from custody under this Act.

(2) An authorized officer shall deliver anything seized under subsection (1) into the custody of the Director General who shall ensure its safety under such procedures as may be prescribed.

(3) A written notice of the seizure and grounds for such seizure shall be given to the person from whom any article or thing was seized or to any other person whom the authorized officer believes is the owner or person otherwise entitled to possession of the article or thing seized.

(4) For purposes of this section, a vessel's equipment, gear, furniture, appurtenances, stores and cargo shall be deemed to form part of the vessel.

Disposal of  
perishable seized  
goods

67.-(1) Any perishable item, including fish and fish products, that has been seized or confiscated under this Act is subject to disposition by the Director General who may, after consultation with the Director of Public Prosecutions:

- (a) sell or authorize its sale;
- (b) otherwise dispose of the item at such time and place as the Director General determines; or
- (c) destroy the item.

(2) The Director General shall notify the owner or apparent owner of any perishable item seized at a reasonable time before selling the item in accordance with subsection (1), and such owner or his nominee may be present at the sale.

(3) Where the Director General cannot ascertain the true ownership of an item at the time of seizure, he shall make reasonable enquiries to ascertain the true owner, and if he has not ascertained the true owner within a reasonable time, taking into account the perishable nature of the item seized, he may sell, dispose of or destroy the item in accordance with subsection (1).

(4) A purchaser for valuable consideration of any item sold under this section shall derive good and unencumbered title in respect of that item.

(5) All items seized pursuant to this Act, and the proceeds from the sale of such items, shall be held in trust by the Director General until-

- (a) the Director of Public Prosecutions decides not to lay any information or charge in respect of any alleged offence which relates to the seizure of the item;
- (b) the Court-
  - (i) has completed its proceedings in respect of a charge or information laid for an offence which relates to the seizure of the item; and
  - (ii) has issued an order in relation to the proceeds of sale of the item.

(6) The decision whether or not to lay any information or charge in respect of an alleged offence in relation to any item seized under this Act shall be made as soon as reasonably practicable after the item is seized, taken possession of or detained.

(7) The Director General, fishery inspector or an authorized officer lawfully exercising any power under this Act shall not be liable for any spoilage or deterioration in the quality of any fish or other item seized, taken possession of, or detained.

Release of  
seized items  
upon bond or  
other security

**68.**-(1) A person from whom any item was seized pursuant to this Act or the owner or person entitled to possession of such item may, within sixty days after the seizure, apply to the Court for the release of the item.

(2) Upon receipt of an application under subsection (1) relating to the seizure of a foreign fishing vessel, the Court shall order:

(a) that the owner or operator of the vessel pay into court a bond, surety or other security having regard to:

(i) the fair market value of the vessel and any items, including fish and fish products on board;

(ii) the maximum fine that applies for the offences or alleged offences that led to the seizure of the foreign fishing vessel; and

(iii) the costs likely to be recovered by the prosecution if a conviction is entered; and

(b) that the vessel to be released upon receipt of the bond, surety or other security, subject to such conditions as the court may determine, unless the vessel is reasonably required as evidence in court proceedings or for any further investigation of offences under this Act.

(3) Upon receipt of an application under subsection (1) that does not relate to the seizure of a foreign fishing vessel, the Court may order-

(a) that the owner or operator of the item pay into the court a bond, surety or other security having regard to-

(i) the fair market value of the item and, in the case of a vessel, any other items including fish and fish products on board the vessel;

(ii) the maximum fine or fines that apply for the offences or alleged offences that led to the seizure of the item;

(iii) the costs likely to be recovered by the prosecution if a conviction is entered; and

(b) the item to be released upon receipt of the bond, surety or other security and subject to such conditions as the court deems fit.

(4) In the event of an appeal from an order of forfeiture, the Court may, pending the final disposition of the appeal and of any retrial or rehearing on remand-

(a) continue any bond, surety or other security deposited in accordance with subsection (2) or (3); or

(b) require an additional bond, surety or other security to

be deposited with it.

(5) Exoneration of any bond, surety or other security deposited in accordance with subsection (2) or (3) is conditional upon-

- (a) the return of the released item to the court without any impairment of its value; or
- (b) final disposition of, or discontinuation of proceedings under this Act and payment of any fines, penalties and other determination imposed by the Court.

(6) An item seized under this Act or a bond, surety or other security paid under subsection (2) or (3) shall be held until any proceedings under this Act have been disposed of or discontinued and any fines, penalties and other determinations imposed have been paid.

(7) Where a bond, surety or other security has been paid under subsection (2) or (3) and the item has been released-

- (a) the sum paid in respect of the value of the vessel or property shall be forfeited from the bond, surety or other security;
- (b) any fine or penalty ordered upon the conviction of any person who committed an offence which led to the seizure of the item shall be paid from the bond, surety or other security; and
- (c) any order for costs against a person accused of committing an offence against this Act which led to the seizure of the item shall be applied against the bond, surety or other security.

Release of  
seized items by  
Director General  
or court

**69.**-(1) Subject to subsection (2), the Director General shall immediately release an item seized under section 66 of this Act, or immediately release the proceeds from the sale of such item, to the person entitled to the item, where-

- (a) the Director of Public Prosecutions decides not to lay an information or charge;
- (b) the persons charged with the offences that led to the forfeiture of the item have all been acquitted; or
- (c) all court proceedings relating to offences which led to the forfeiture of the item have been finally disposed of without any order for forfeiture having been made in accordance with this Act.

(2) The Court may direct:

- (a) that the release of any item seized or proceeds from the sale of the item under subsection (1), be contingent on

payment of all fines, penalties, orders for costs and other determinations imposed in respect of any offence; and

- (b) that failing the payment referred to in paragraph (a), within the time allowed, the item seized be sold and the balance of the proceeds of sale be returned to the owner, his nominee or the apparent owner in accordance with this Act, after deducting all fines, penalties, orders, costs and other determinations imposed and the costs for the sale.

(3) Notwithstanding anything in this section, where an authorized officer returns to the water at the time of seizure any fish seized pursuant to this Act that he believes to be alive, the authorized officer shall have no criminal liability or civil liability to the person from whom the fish was seized, in the event of a decision being made not to lay an information or charge in respect of the fish or of the person being acquitted of the charge.

Failure to  
comply with  
conditions of  
bond or other  
security

**70.** Where a person to whom an item is released under section 69 fails to comply with the conditions of the bond or other security posted for release of that item:

- (a) the Director General may direct the item to be re-seized at any time; or
- (b) the bond or security shall be automatically forfeited.

Forfeiture

**71.**-(1) Where a court convicts a person of an offence against this Act, it may order the forfeiture of any of the following:

- (a) any fish, fish product, vessel, including its gear, furniture, accessories, stores, cargo and aircraft gear, equipment, explosive or noxious substance or other item taken, used or otherwise involved in the commission of the offence, or otherwise as may be provided in this Act;
  - (b) where a vessel was used in the commission of the offence, any fish on board the vessel at the time of the offence;
  - (c) where an export storage facility was used in the commission of the offence, any fish or fish product in the facility at the time of the offence; or
  - (d) where any fish has been sold under section 67, the proceeds of the sale of the fish.
- (2) Notwithstanding section 67, where any fish or fish

product which is subject to a ban imposed under this Act is seized and confiscated pursuant to this Act, it shall be forfeited and become the property of the Government.

(3) Any person who is aggrieved by a decision made pursuant to subsection (2) may apply to the Court for relief.

Disposal of  
forfeited items

**72.** Any item or security forfeited under this Act shall be the property of the Government.

#### PART X

#### JURISDICTION, PROCEDURE AND LIABILITIES

Jurisdiction and  
standing

**73.-(1)** Any act or omission committed in areas beyond national jurisdiction of the United Republic to which this Act applies which constitutes a contravention of this Act shall be dealt with and judicial proceedings taken as if such act or omission had taken place in the United Republic within the jurisdiction of the High Court of Tanzania or the High Court of Zanzibar.

(2) Where an authorized person appointed under this Act is exercising any powers or performing duties conferred on such authorized person by this Act in areas beyond the Exclusive Economic Zone in connection with any act or omission of any person in contravention of this Act, that act or omission shall be deemed to have been committed within the jurisdiction of the High Court provided for under subsection (1).

Liability for loss  
or damage

**74.** A person who commits an offence under this Act may, on conviction or a determination under summary proceedings, be liable to the United Republic for-

- (a) any loss or damage caused by the offence;
- (b) any costs incurred in detecting, apprehending, investigating or prosecuting the offence; and
- (c) any costs incurred in detaining or seizing any property, fish, article or thing in respect of that offence,

and the amount of compensation for such loss, damage or costs may be awarded by the court or determined in summary proceedings as restitution in addition to, and recovered in the same manner as, a fine or determination.

Liability of  
operators

**75.** In any proceedings under this Act, the act or omission of a crew member of a fishing vessel or a person working in association with a fishing vessel is deemed to be that of the operator of the vessel, unless otherwise expressly provided.

PART XI  
EVIDENCE

Presumptions

**76.**-(1) All fish found on board in any fishing vessel which has been used in the commission of an offence under this Act shall be presumed to have been caught during the commission of that offence, unless the contrary is proved.

(2) Where in any legal proceedings under this Act-

(a) the place in which an event is alleged to have taken place is in issue, the place stated in the relevant entry in the logbook or other official record of any enforcement vessel or aircraft as being the place in which the event took place is presumed to be the place in which the event took place; and

(b) the production of a written copy or extract of the entry certified by an authorized officer as a true copy of the accurate extract shall be *prima facie* evidence of an entry in a logbook or other official record of an enforcement vessel or aircraft.

(3) Where in any legal proceedings relating to an offence under this Act:

(a) an authorized officer or observer gives evidence of reasonable grounds to believe any fish to which the charge relates were taken in a specified area of the Exclusive Economic Zone; and

(b) the court considers that, having regard to that evidence the grounds are reasonable,

the fish shall be presumed to have been so taken, unless the contrary is proved.

(4) Where in any legal proceedings for an offence under this Act-

(a) an authorized officer gives evidence of reasonable grounds to believe that any fish to which the charge relates were taken by the use of driftnets; and

(b) the court considers that, having regard to the evidence, the grounds are reasonable,

the fish shall be presumed to have been so taken, unless the contrary is proved.

(5) Where any information is given in respect of any fishing or related activity of a fishing vessel, it is presumed to have been given by the operator, including the master, owner or charterer of the vessel concerned, unless it is proved that it was not given or authorized to be given by any of them.

(6) Any entry in writing or other mark in or on a log, chart or other document required to be maintained under this Act or used to record the activities of a fishing vessel is deemed to be that of the operator, including the master, owner and charterer of the vessel.

(7) Any position fixing instrument on board a vessel or aircraft used for the enforcement of this Act is presumed to be accurate.

Interfering with  
evidence

77.-(1) A person shall not interfere with evidence which may be related to an offence under this Act.

(2) Without prejudice to the generality of subsection (1), a person shall not-

- (a) being on board any fishing vessel being pursued, about to be boarded, being boarded or notified that it will be boarded by an authorized officer, whether within or beyond the Exclusive Economic Zone, throw overboard or destroy any fish, fish product, equipment, document, explosive, noxious substance or other thing with intent to avoid its seizure or the detection of any offence against this Act;
- (b) remove from custody any fishing vessel, fish, fish product, equipment or other item held in custody under this Act, or act or omit to act so that a vessel, fish, fish product, equipment or other item held in custody under this Act may be removed from custody, whether or not such person knew that the vessel, fish, fish product, equipment or other item was being held in custody;
- (c) destroy, damage, render inoperative or otherwise interfere with any premises or facilities licensed under this Act; or
- (d) where a mobile transceiver unit is required under this Act, whether within or beyond the Exclusive Economic Zone, destroy, damage, render inoperative or otherwise interfere with any part of such mobile transceiver unit aboard a vessel, or feed or input into a mobile transceiver unit or an applicable vessel monitoring system information or data which is not officially required or is meaningless.

(3) A person who contravenes any provision of this section commits an offence and shall, on conviction, be liable to a fine set out in the Second Schedule to this Act.

PART XII  
FINANCIAL PROVISIONS

Funds of  
Authority

- of:
- 78.** The funds and resources of the Authority shall consist
- (a) any sums which Authority may be appropriated by Parliament and the House of Representatives for the purposes of the Authority;

(3) No expenditure shall be incurred for the purpose of the Authority except in accordance with the provisions of the annual budget estimates or any supplementary estimates approved by the Executive Committee.

(4) A copy of annual budget, supplementary budget and audit report of account approved by the Executive Committee shall be submitted to the Minister one month after commencement of financial year.

(5) A copy of the report under subsection (4) shall be submitted to the Minister responsible for fisheries in the Revolutionary Government of Zanzibar.

(6) The financial year of the Authority shall be the period of one year ending on the 30<sup>th</sup> June.

Investment of funds of Authority

**81.** The Executive Committee shall, with the approval of the Ministers after consultation with the Minister responsible for finance in Mainland Tanzania and Minister responsible for finance in Tanzania Zanzibar, have power to invest funds of Authority.

Remuneration of members of Committees

**82.** The Executive Committee may, with the approval of the Ministers and from time to time, prescribe emoluments and other allowances payable to members of Committees.

Account and audit

**83.-(1)** The Authority shall cause to be provided and kept proper books of accounts and records with respect to the receipt and expenditure of monies by, and other financial transactions of the Authority and assets and liabilities of the Authority, and shall cause to be made out of every financial year a balance sheet showing the details of the income and expenditure of the Authority and all its assets and liabilities.

(2) Within three months after the close of each financial year, the accounts, including the balance sheet of the Authority in respect of that financial year, shall be submitted to and audited by the Controller and Auditor General.

(3) As soon as the accounts of the Authority have been audited, and in any case not later than six months after the closure of each financial year, the Executive Committee shall submit to the Ministers a copy of the audited statement of accounts, together with a copy of the report made by the Controller and Auditor General on the statements of the accounts.

Laying of report  
before National  
Assembly

**84.** The Ministers shall, as soon as practicable and after receiving statements of accounts, lay them before the National Assembly and the House of Representatives, as the case may be and such a report shall contain-

- (a) a copy of the audited accounts of the Authority;
- (b) a copy of audit report, if any; and
- (c) a copy of the Director General's report on the activities of the Authority in the preceding financial year.

Director  
General's report

**85.-(1)** The Director General shall, at the end of each financial year, prepare a report on the activities of the Authority during that financial year.

(2) The report referred to under subsection (1) shall contain-

- (a) activities conducted by the Authority;
- (b) activities conducted jointly with other organizations; and
- (c) financial position of the Authority.

Borrowing by  
Authority

**86.-(1)** The Director General may, where circumstances require the Authority to borrow funds, prepare and submit to the Executive Committee for approval, a financial plan showing the amount of monies to be borrowed, how monies will be used and how the Authority will benefit from the loan.

(2) Upon approval by the Executive Committee and the Minister responsible for finance in Mainland Tanzania, the Authority may borrow funds from any financial institution.

Procurement and  
disposal of  
assets  
Cap. 411

**87.** A Tender Board of the Authority shall be established by the Executive Committee in accordance with the Public Procurement Act to address the procurement of goods and services including consultancies, works and disposal of public assets.

PART XIII  
OFFENCES AND PENALTIES

Offences and penalties

**88.**-(1) Unless otherwise provided in this Act, the maximum fines shall be as set out in the Second Schedule to this Act.

(2) The maximum fine referred to under subsection (1) may be paid in Tanzanian shillings equivalent to the United States dollars set out in the Second Schedule.

General penalties

**89.**-(1) For an offence for which no other fine or penalty is specifically provided, the Court may subject a person guilty of any offence under this Act to the following:

(a) a fine of up to ten thousand United States dollars or twice the economic benefit that the person obtained through the violation, whichever is greater;

(b) for intentional violations or violations resulting from gross negligence, a fine of up to one hundred thousand United States dollars or three times the economic benefit that the person obtained through the violation, whichever is greater.

(2) For violations resulting in damage to fish or the marine environment in general, an additional fine equal to twice the value of the reduction in market value caused by the violation, twice the total cost of restoration of the fisheries resources or twice the total cost of restoration of the environment, whichever is greater.

Deprivation of monetary benefits

**90.** Where a person is convicted of an offence under this Act, and the court is satisfied that as a result of committing the offence the person acquired monetary benefits or monetary benefits accrued to the person, the court may, notwithstanding the maximum amount of any fine that may otherwise be imposed under this Act, order the person to pay an additional fine in an amount equal to the court's finding of the amount of those monetary benefits.

Court may order additional penalties and compensation

**91.** In addition to any fine provided for under this Act, the court may order:

(a) compensation to be paid to the owner of any property damaged or destroyed as a direct result of the offence; and

(b) compensation for the cost of clearing any pollution of the Exclusive Economic Zone that may have been

*Deep Sea Fisheries Management and Development Act*

---

caused as a direct result of the offence or removing any objects that continue to cause such pollution.

Increased maximum fine for body corporate

**92.** Where a body corporate is convicted of an offence under this Act, the court may impose a fine of up to three times of the maximum fine specified for the offence.

Continuing offences and repeat offenders

**93.-(1)** Each day of a continuing offence shall be considered a separate offence.

(2) Subject to subsection (1) and without prejudice to any other penalty which may be imposed under this Act, a fine imposed shall be twice times the fine imposed for the previous offence.

Banning order

**94.-(1)** In addition to any other fine or penalty provided under this Act, the court or the Director General in consultation with the Director of Public Prosecutions may order an owner or operator to be banned from fishing in the Exclusive Economic Zone for a period up to five years if that person has committed:

- (a) an offence involving unlicensed fishing; or
- (b) multiple offences against this Act,

and shall order owner or operator to be banned from fishing in the Exclusive Economic Zone if that owner or operator has been found by a court to have committed any offence or offences against this Act on three separate occasions.

(2) The operator or master who contravenes any provision of this Act, commits an offence and shall, on conviction, be liable to the maximum fine set out in the Second Schedule to this Act.

Compounding of offences

**95.-(1)** Notwithstanding the provisions of this Act relating to penalties, where a person admits in writing that he has committed an offence under this Act or any other sector legislation, the Director General or a person authorised by him in writing may, at any time prior to the commencement of the proceedings by a court of competent jurisdiction, compound such offence and order such person to pay a sum of money not exceeding two thirds of the amount of the fine to which such person would otherwise have been liable to pay if he had been convicted of such offence.

(2) Where the person fails to comply with the compounding order issued under this section within the prescribed period, the Director General or a person authorised by him may, in addition to the sum ordered, require the person to pay an interest at the rate prescribed in the regulations.

(3) Where the person fails to comply with subsection (2), the Director General may enforce the compounding order and interest accrued thereof in the same manner as a decree of a court.

(4) The Director General shall submit quarterly reports of all compounded offences under this section to the Director of Public Prosecutions.

(5) The forms and manner of compounding of offences shall be as prescribed in the regulations made under this Act.

PART XIV  
GENERAL PROVISIONS

Relationship  
with other laws  
of United  
Republic

**96.** In the event of a conflict or inconsistency between this Act and any other written law enforced relating to deep sea fishing in the United Republic, this Act shall take precedence.

Notifications

**97.-(1)** Any notification required under this Act shall be in writing.

(2) Except as otherwise specified in this Act, if under this Act any notice or other document is to be given, served on or furnished to any person, that notice or other document may be:

- (a) given to the person personally;
- (b) given personally to any other person authorized to act on behalf of the person;
